PERSONAL PROFILE

Results-driven Full Stack Developer with expertise in MERN/MEAN stack development, building scalable, user-centric web applications. Proficient in React.js, Angular, Node.js, Express.js, and MongoDB, with working knowledge of Next.js, TypeScript, and Tailwind CSS. Experienced in developing real-world solutions like e-commerce platforms and admin dashboards, along with hands-on internship experience. Skilled in RESTful API development, authentication, database management, and Agile practices using Git workflows. Committed to delivering efficient, high-quality solutions in collaborative environments.

CORE COMPETENCIES/ TECHNICAL AREAS OF INTEREST

TECHNOLOGY: React JS | Angular | MDB Bootstrap | Node JS | MongoDB | Express JS | JavaScript |
Next JS | TypeScript | Tailwind CSS | Python | SQL | Git

- **MERN / MEAN Stack:** Proficient in both MERN and MEAN stack (MongoDB, Express.js, React/Angular, Node.js) for full-stack development.
- **Tools & Technologies:** Experienced with Git for version control, MDB Bootstrap & Bootstrap for responsive design, Tailwind CSS, Postman, JWT (JSON Web Tokens) for secure authentication, and REST APIs for backend integration.
- **Basic Knowledge:** Angular, CORS, Dummy-JSON

EXPERIENCE

MERN Stack Developer Intern
Codeedex Technologies

Present

- Developed full-stack web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js), building responsive and dynamic user interfaces with HTML, CSS, and JavaScript.
- Working on real-world projects including an E-commerce platform and a Shop Admin Panel, implementing features such as product management, authentication, and dashboard functionalities.
- Gained experience with Angular, Next.js, and TypeScript for scalable applications, built responsive UIs using Tailwind CSS, collaborated using Git workflows, contributed in scrum meetings, and improved backend skills through RESTful APIs and MongoDB, enhancing full-stack development and problem-solving.

Internship Trainee

Luminar Technolab

Aug 2023 – Apr 2024

- Completed 8+ months as a ME(A)RN Stack Internship Trainee, gaining hands-on experience in building full-stack projects.
- This experience equipped me with a highly adaptive and collaborative mindset, making me an asset to any institution.

ACADEMIC PROJECTS

CareBridge

- CareBridge is a full-stack web application for digitalizing Anganwadi services, integrating health, nutrition, and education management using React.js, Node.js, Express.js, and MongoDB.

- It includes features like child registration, attendance tracking, vaccination alerts, nutrition guidance, and teenager support with REST API integration and Postman testing.
- The platform improves efficiency and transparency by replacing manual records with a centralized system, featuring a responsive UI built using Tailwind CSS.

E-Plant

- A plant-based commercial web application designed for buying and selling plants and eco-friendly products. Provides a user-friendly e-commerce experience inspired by platforms like Amazon and Flipkart, with organized product listings and essential e-commerce features.
- Tech Stack: React, MongoDB Atlas, JsonWebToken, CORS, Express, Node.js, Bootstrap, HTML, CSS

Fitness Building App

- Developed a web application with user authentication, enabling users to browse exercises, manage wishlist and cart, and view total amount with dynamic UI.
- Implemented backend and integration features including CORS handling, schema-based data storage, and full cart management using React, Node.js, Express.js, MongoDB Atlas, JWT, and Bootstrap.

CERTIFICATIONS

- **NPTEL:** Cloud Computing November 2024

ACADEMIC CREDENTIALS/ QUALIFICATIONS

NEHRU COLLEGE OF ENGINEERING & RESEARCH CENTRE, PAMBADY Master of Computer Application	CGPA- 9.09	2024 – 2026
NSS COLLEGE OTTAPPALAM Bachelor of Science – Physics	Percentage- 60%	2020 – 2023
GHSS CHERPULASSERY Computer Science	Percentage- 70%	2018 – 2020
ANANGANADI HIGH SCHOOL, KOTHAKKURUSI SSLC	Percentage- 88%	2013 – 2018

POSITIONS OF RESPONSIBILITY

- President of Computer Science Club 2024
- Secretary of Social Club 2023

CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITIES

- Published a research paper on “Artificial Intelligence for Disaster Resilience”, highlighting AI-based solutions for disaster prediction, response, and recovery.
- Participated in Interzone Cricket Tournament – Team Placed 4th Overall (2025)
- Member of National Service Scheme (2020)

HOBBIES AND INTERESTS

- Watching Cricket, Movies
